This early years ICT collection includes a range of products aimed at introducing control and programming to Key Stage 1 and lower Key Stage 2 pupils. Designed for little hands, pupils will find these products easy to manage, fun and educational.

- comes complete with comprehensive support notes
- great for pupils with special educational needs

Bee-Bot™

1,990 VOUCHERS
ORDER CODE: 17R-724

The new Bee-Bot provides foundation and Key Stage 1 pupils with a gentle, familiar introduction to control. It is built to last despite its small size (just 12cm long), and can work on tabletops and carpets.

Bee-Bot moves firmly and hesitates between actions to allow pupils to see and understand when it is executing their instructions.

- its eyes flash and it beeps with every instruction
- activities can be as basic or as complex as required
- uses three AA batteries (not included)
- memory to 40 steps

Bee-Bot transparent grid

420 VOUCHERS
ORDER CODE: 17R-732

This clear 4x4 grid can be used to help with programming routes for the Bee-Bot.

- place the clear mat on top of existing carpets and maps or simply ask the pupils to design their own mats.
- 2D items can be placed under the clear mat
- with such a versatile resource, the possibilities are endless

Bee-Bot race grid

710 VOUCHERS
ORDER CODE: 17R-728

Vroom Vroom! Race and skid around this Bee-Bot 'Grand Prix' mat, whilst developing route and sequence planning.

By using the support notes and photocopiable game cards provided, you'll be sure to enjoy the thrill of the race.

Great for time trials for group users. So have fun, wait for the lights to turn green and go, go, go! Complete with support notes.

Bee-Bot giant A5 sequence cards

500 VOUCHERS
ORDER CODE: 17R-727

Help pupils organise their Bee-Bot route sequence. This pack of durable, laminated A5 sequence cards is ideal for assisting in program planning and recording. The bold and colourful layout makes these cards perfect for front of classwork. Pack consists of 49 cards.

Bee-Bot busy street mat

1,010 VOUCHERS
ORDER CODE: 17R-726
